A GLIMPSE INTO CERTIFICATE CEREMONIES

Mafraq Hospital in Abu Dhabi deserves a special mention as their Organ Procurement Unit (OPU) was recognized with the ISO 9001:2015 Quality Certification. Credits go to their PMA team hard work during the past few months in developing and implementing Standard Operational Procedures (SOPs), and the collaboration between SEHA and DTI Foundation.

TradeArabia BUSINESS NEWS INFORMATION Back

Dubai's Hamdan Sports Complex celebrates 10 years of success

The Hamdan Sports Complex, one of the world's biggest and most modern multi-purpose facilities built on a 240,000 sq m area in Dubai, has obtained three key ISO certifications on its 10th anniversary today (October 10).

These are ISO 9001 for Quality Management System, ISO 45001 for Occupational Safety and Health Management System, and ISO 14001 for Environmental Management System.

GOVERNMENT OF DUBAI MEDIA OFFICE

Dubai Sports Council obtains ISO 9001, ISO 45001 and ISO 14001 certificates

Keen to adopt global best practices and develop an integrated management system, Dubai Sports Council have obtained three International Organization for Standardization (ISO) certificates: ISO 9001 for Quality
